**CAS Sports Requirements**

Due to the guidelines that have been set forth by Governor Dewine and the Ohio Department of Health the following protocol will be implemented for all home sport events being played at Christian Academy Schools during the 2020-2021 season:

1. Only **family members** are permitted to come and watch the game. If you do not have a son or daughter playing in the game being played, please exit to give room for the other team’s family members.
2. Self -Check before traveling: Temp must be under 100, check for nausea, sore throat, vomiting, diarrhea, body aches, loss of taste etc.
3. Come dressed and ready to play. There will be no locker rooms, but you can use the restrooms.
4. Use Hand Sanitizer that is immediately inside the first set of doors before coming into the second set of doors.
5. Everyone **MUST** wear a mask coming into, walking around and leaving the building. Players and Coaches that are playing will not need to wear a mask. Fans and players sitting in the stands must wear a mask, unless they can keep a protective distance from others or sitting with family being distant from the next group or person.
6. Please bring your own water because there will not be any water provided. Our water fountains are closed.
7. In the event that there are multiple teams playing on the same night, we will need to have everyone exit the gym for a brief time so that all surfaces may be cleaned.

In Christ
